1

Ma'am,
GST kya hota hai?

Bahut accha
sawal! Chalo
simple shabdon
mein samajhte
hain.

2

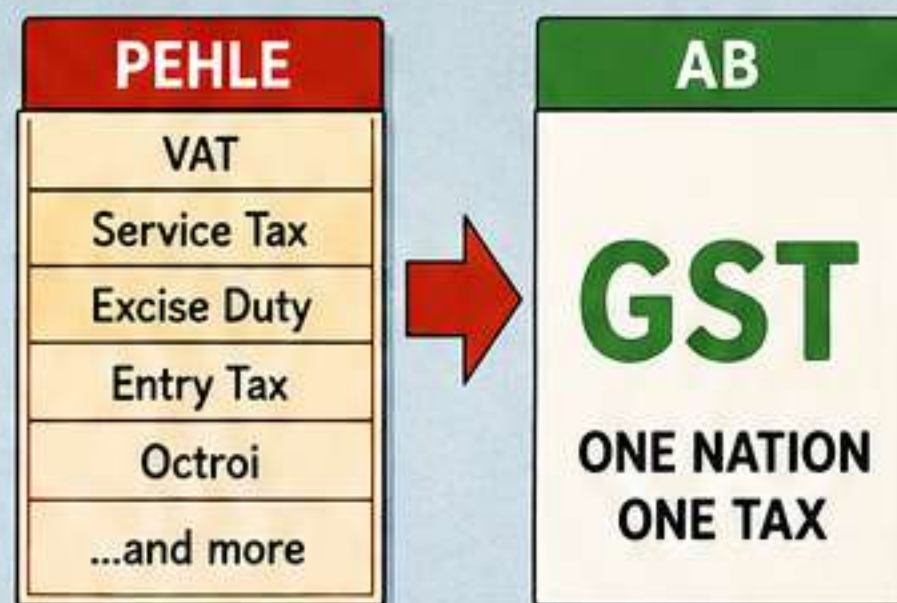

GST ka full form hai
Goods and Services Tax.
Yeh ek indirect tax hai
jo goods aur services
ki supply par lagta hai.

3

Matlab yeh
goods par bhi
lagta hai aur
services par
bhi?

Bilkul! Pehle alag-alag taxes
lagte the jaise VAT, Service Tax,
Excise Duty, etc.
GST ne in sabko replace
karke ek hi tax system
bana diya.

4

GST ka main uddeshya hai
– ek transparent, simple aur
efficient tax system banana,
jisse desh ki economy
mazboot ho aur business
karna asaan ho.

Wah Ma'am!
Ab samajh aaya,
GST ek game
changer hai!
